*"When
Reliability
Matters"*

Norfolk Classic and Sports Cars was born from a lifelong passion for motor sports and classic cars and was established with the aim of providing a reliable and complete service for classic and sports cars including on-event servicing for motorsport events as well as general servicing repairs and rally preparation work.

The founder of the company Robert Kitchen has been providing on-event support for the Endurance Classic Rally Association since 2000 and has worked on most of their long distance endurance events over the last 11 years. Therefore Robert has travelled many of the routes and first-hand experience of the problems encountered by classic vehicles on this type of event.

The company also carries out restoration work with workmanship undertaken to a meticulous standard. You can see some of our clients' cars in the Galleries section of our website at www.norfolkclassiccars.co.uk. We are always happy to discuss your individual requirements, please do not hesitate to get in touch.

This is a small selection of events for which Robert has provided mechanical support.

41st Annual Classic Car Rally

King's Lynn & District Motor Club

Sunday August 12th will see the fourth annual **Diss Heritage Transport Fayre**, organised and run by the Diss Heritage Traders Group. The fayre has grown every year, and this year it will be even bigger and better, as vehicles will be displayed not only in the Heritage Triangle, but also in Mere Street and the Market Place.

The historic town centre will be graced with wonderful classic cars, vintage commercial vehicles, bygone public service transport, motor cycles, bikes, pedal cars etc, and as before the 1940's petrol filling station will again pop up at the entrance to Cobbs Yard, in Saint Nicholas Street.

Vehicle owners are being encouraged to wear suitable dress, to match the era of their motors, and prizes will be awarded to those whose period costume is considered the best in keeping with their classic vehicle.

Music will be provided by The Diss Ukaholics ensemble, Morris dancers, Organ grinders and street musicians.

The town's cafes, restaurants, deli's, pubs and shops will open for the day and along with street food vendors, no one need go hungry.

The Heritage wildlife garden and Mere boardwalk are major attractions, in the Triangle, where you can actually walk on water! The wonderful Corn Hall recently restored and extended will host a display of period motor cycles, in the courtyard.

There is something for everyone, young or old and the theme for the day is step back in time.

Anyone wishing to display a vehicle or would like to help on the day, please email annehyde@gmail.com or telephone Peter Hyde on 01379 741414.

Normandie 6th June 2019

Paul Doodson

Dear Members; Next year is the 75th Anniversary of the D Day Landings. This could well be the last time the vets will assemble there, simply because, by now, they will be, either in their late 80s or early 90s.

I therefore would like to suggest a club trip to Normandie in June next year. To do this we have to act fast, simply because the world & their dog will be there. At present the RBL have not block booked any hotels, so they tell me, but, that does not mean we can just sit about & wait. I am quite prepared to research hotels & find out costs, but, do be advised here, those wishing to come along will have to pay their own bill direct to the hotel. After all, it would be far better if we all stayed in the same hotel. As for transport, all depends how many we get. We can share that cost.

Now, I do appreciate some of you will be not interested, and some of you, have the odd chateau in the area, will be able to make your own arrangements, but for us lesser mortals, lower in the food chain, we will have to put up with hotels. I expect you will tell me there are companies who organise these trips, but having looked at this, one in particular, is not running a trip in June. Others are not so good. Any suggestions welcome.

So, there you have it. I can be contacted by either email, doodson.paul39@gmail.com or if really keen, feel free to telephone 01953 450 281 (be prepared to give name, rank & number to the BT lady before you are connected!) or 07557 731 816. Please do give me number of people and type of room(s) required. Ta.

Now dear members, be well advised here, if there is little or no response, say, by the end of August, I will down grade the trip to the people I have already spoken to, who are interested.

Over to you all. OK??

Paul Doodson.

Following on from my original missive re the 75th Anniversary D Day landings, I am pleased to inform you there is good news and bad news. Firstly, Leger is running a tour to coincide with the 6th June, but, here is the bad news, it is full already.

So if we still wish to go to the Normandie Beaches, we will have to travel outside the anniversary dates (after the 15th). This could well be to our advantage, as, leger have already told me they are having difficulties in obtaining permits to get into certain areas, due to security, and that the great & good will be there. So it looks like if we were able to go with the original plan, we would not be able to see much. Having spoken to Leger, they, Leger would be prepared to supply a tour bus, to ourselves, providing we can get 30 plus people to travel, and that will mean we can "personalise" the tour to our own wishes to some extent. Leger will be contacting me in July, so I really would like to know, ideally, by early July if this is a goer or not. As for costs, don't know, I assume as we would be travelling "off peak", it could well be cheaper!

My contact details are still the same.

Finally, please do remember, this trip is a one off. It can never be repeated. SCCoN members have first call. To obtain numbers I can easily contact Cambridge CC and West Suffolk MC.

Regards to all,

Paul Doodson.

WARNING TO ALL CLUB MEMBERS

Please do be aware that there is a scam doing the rounds.

It is supposed to be from DVLA, stating that you (the reader) are due for a refund.

Firstly, who has ever heard of a government department giving out money!??

In my case it came over the phone, and for sure, looks very plausible.

Second, the site one is supposed to contact is
[HTTP: // dvla.is-certified.com...finishing.TRC](http://dvla.is-certified.com...finishing.TRC)

If you telephone DVLA they will issue a statement saying they are aware of this and not to reply, just delete it.

Please pass this on.

August Run

Sunday 12th August 2018

Organised by Nick Skuse & Tony Burchnall

Date for your diary

map 156 starting from Parham Village Hall finishing at the Old Mill House, Saxtead Green

usual 12 car regularity run fayre

for this event in an attempt to encourage lesser experienced crews who may be scared off by the thought of a regularity run Nick & Tony are proposing to run a practical table top with an opportunity to drive the full route, running behind the regularity crews, as a scenic run with absolutely no timing to worry about

pre-plot the route at home, have the route checked at the start, drive the fully marshalled route, an ideal opportunity for a bit of plotting practice and a bit of driving practice followed by a bit of social chit chat in the pub at the end

12 Car Run

Sunday 12th August 2018

We're going to try something!

AMSC are running a 12 car permit regularity series on a Sunday morning through the summer which understandably doesn't get a full entry because regularities are a bit tricky.

However, we have a full complement of controls and marshals and it seems a shame not to use them and the MSA Permit to the max.

Therefore, we are going to open the unfilled entry slots to allow totally novice navigators a chance to put a marked map route on to the road.

You will be given a proper set of the usual 12-car-type nav instructions the day before, so you can do the plotting at home, like a table-top rally.

You then bring your completed route to the start so that we can check it and make sure that you have it all right. We do this for the Regularity crews anyway if they wish.

You will then drive your route as if on a proper rally but without the time pressure of a 30mph average. You will only have to get to the controls before they close. Other than that, there won't be any timing involved. You will just need to follow your route.

The Summer Regularities are very social. We even have a coffee break at half way and we finish at a pub for lunch. We are planning on trying this nav exercise at the next AMSC Regularity on August 12th. starting at Parham near Framlingham and finishing at Saxtead.

The Run is open to any member of an AMSC Club and other invited clubs. The Run will not be competitive, and we won't make any awards.

If you want to fill the gap between a table-top and a full 12-car and get some practice converting a map route to the road, this is the ideal chance.
