Welcome to Spotlight...

Welcome to the September edition of Spotlight. The nights are drawing in and, while that may depress some, it does mean that the 2019/2020 12-Car series is almost upon us. Following a successful meeting last month, the dates for the season have now been announced. Turn to page 9 for more information on the changes for this year's championship.

One really significant story that has broken in recent weeks is the news that the Corbeau Seats Rally, held for the last two years in the Clacton and Tendring district of Essex, will be part of the British Rally Championship in 2020.

As soon as this event came about two years ago, I thought to myself that it was absolutely vital that it found a place in a major championship so, to see this come to fruition after only two years is really great news in my eyes. I am a firm believer that, if rallying wants to grow and thrive, it needs to stop hiding itself in its traditional heartlands and put itself in front of people. The lack of a major event in the South East of England has always been a real sticking point for me, so I hope this move will help to raise the profile of the sport and attract new people to join the ranks of marshals, organisers and competitors.

Watching the BRC as a kid, I don't think I ever could have imagined there being a round in East Anglia, so this really is something. Well done to everyone in Chelmsford Motor Club for making it happen so quickly. Let's hope the event continues to go from strength to strength.

Coming back down to earth a bit, those of you who endlessly look at competition cars for sale online (I'm not the only one, admit it), may have noticed that my own Escort has been for sale and has recently gone off for a new life in South West Wales. This doesn't mark the end of my all-too-short rallying exploits, so hopefully a new toy will be unveiled in the coming months – stay tuned – it's going to be something a bit different to your traditional clubman car.

On that note, as I said last month, if you have an interesting car of your own, please drop me a line. I'd love to include some of them in Spotlight, as I have no doubt that other members would love to see them too. It doesn't even have to be a car – if you have a story you would like to share, let me know. Don't worry, you don't need to be a wordsmith, I am more than happy to help you put something together.

I hope you all enjoy the month ahead. Until next time.

SCCoN Navigational 12 Cars

A very well attended meeting was held on 9th August at The Angel, Larling to discuss SCCoN Navigational 12-cars.

The dates for your diary for the 2019/2020 season are as follows:

- 25th October 2019
- 29th November 2019
- 31st January 2020
- 28th February 2020
- 27th March 2020

In addition to agreeing the dates, the following was agreed for the 2019/20 season: -

- One pair of spot-lamps will continue to be allowed on participant vehicles.
- For drivers, there will be a new set of advisory notes so our events can be as unobtrusive as possible to the residents of rural Norfolk and Suffolk.
- It was felt that a marked map confers a very big advantage, so for all SCCoN 12-cars (except the P&H which is aimed specifically at Beginners and Novices) those crews who opt for a marked map will be classified after the other classes who plot their own routes. But if a crew feels they still need a marked map, there will be no limit on the number of events for which they can have one. And to make things as even as possible for the different classes, Novice crews will be supplied with some of their navigation in envelopes to be opened en route.

Please enter if you can, in order to repay all the effort put in by our team of enthusiastic organisers.

And if you've never tried a Navigational 12-car, come and have a go. Lots of advice is available to get you started.

Here's looking forward to another successful season of SCCoN 12-cars with our popular buffets at the finish of every event.

Peter

These are being produced by EZY-TEES, based in Martham, near Great Yarmouth. They are able to provide a full range of clothing items, including:

T-shirts
Sweatshirts
Hoodies
Zip-up hoodies
Polo shirts

There are a couple of examples below:

Ali is handling any orders for these so, for full price information, drop her a line at Alison.Hodder@yahoo.co.uk
