

Sporting Car Club of Norfolk Limited

2014 / 2015 12 Car Championship

Points Allocation

1. This is a general description of the 12 Car Championship points scoring. For more information contact the Championship Coordinator, currently David Bell.
2. Points awarded count towards the Overall Championship and the three Class Championships.
3. Classes will be set at the start of each 12-car season and crews will stay in the same class for that season.
4. Class Definitions shall be based on the Navigator's past results as follows:-
 - a. Beginners - a sub-set of the Novice Class who are permitted to have marked maps.
 - b. Non-scoring Beginners - Beginners, who have won a 12-Car event, but continue to use a marked map.
 - c. Novices - have never won a 12 Car event except for one event using a marked map.
 - d. Intermediates - have won at least one 12-Car event (1st overall) using novice navigation.
 - e. Experts - have won at least one 12-Car event (1st overall) using Intermediate navigation.
 - f. In the interests of fairness and, to encourage support for 12-Car events, the SCCoN Management Team has the right to re-classify crews (up or down) at any time to reflect an individual crew's level of ability and/or their past experience on other events.
5. All crews will score Championship points, except Beginner crews in the Novice Class who have won a previous event outright, and who use a marked map on a subsequent event.
6. Only Full members of SCCoN will qualify to be classified in the final Championship positions.
7. On the first 12-Car of the season a Novice event where Novices are awarded finishing positions ahead of the other classes, Overall Championship points will be awarded according to the penalties accrued (in fails and minutes), and not according to the overall positions declared at the finish of the event.
8. Regular competitors who organise a 12-Car event may claim Championship points towards the Overall Championship and the Class Championship on **ONE** round. Regular is defined as entering at least 3 rounds. The points claimed will be based on their average score calculated as follows: best 4 from 5 (entry on 5 rounds), all 4 (entry on 4 rounds) or all 3 (entry on 3 rounds).
9. **Crews best 5 scores** from the 6 rounds will count towards the Championship
 - a. If 5 rounds are run then best 4 scores from the 5 rounds will count towards the Championship
 - b. If 4 rounds are run then best 3 scores from the 4 rounds will count towards the Championship
 - c. If 3 rounds or less are run then all scores will count towards the Championship
