

Sporting Car Club of Norfolk

2018 Clubman Championship

Points Allocation

Runs from the 1st January 2018 (or the first round of the Clubmans (aka Summer) Series – whichever occurs first) through to 30th April 2019 (or the 2018 Awards night – whichever occurs first)

Only fully elected and associate members can score points

Points will be automatically allocated for contributing to Club 'things' – just being there is good enough (Natter & Noggin points may need to be claimed):

- ***Clubmans (aka Summer) Series Championship Event***
- ***12 Car Championship Event***
- ***Natter & Noggin***
- ***Spotlight Contributions***
- ***AGM***
- ***Dinner Dance***
- ***Classic Run***
- ***Stage Rally***
- ***Anything else that I've missed out***

Notes:

Spotlight - One or two club members have a role within the club which requires a monthly article – regular articles are excluded but 'extra' articles will score points (off the top of my head these roles are Editor, Chairman, Vice Chairman, Committee Secretary, Competition Secretary and Chief Marshal)

An Organiser can only score Organiser points at their own event

An Event can have more than one Organiser and any number of Helpers (usually Marshals)
